Effective Teaming in Schools

Are your teams working efficiently in a timely
manner? Are they successful and sustaining? Are
they effective in serving their purpose?

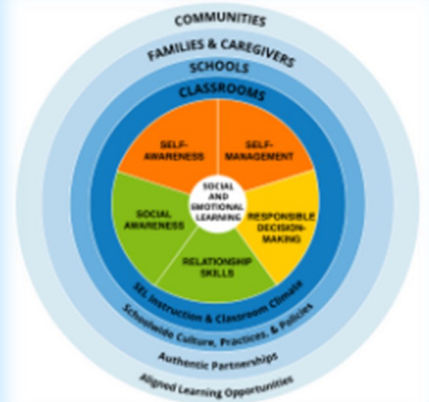

JOIN US (*virtually*)

Learn:

- What the essential school-based teams are within the MTSS framework and how to have teams in place that “manage” all levels of support across the continuum
- How to cultivate a successful team and establish teaming foundations (consistent meeting times, agendas, meeting minutes, role clarification, purpose & commitment)
- How to ensure the right people are at the table with everyone knowing their role
- How your voice and student voice can be carried outside of team meetings to effectively support student outcomes
- Overcoming barriers to establish and maintain successful teams

Presenters:

- ◇ Gigi Dibello, Woonsocket Project AWARE Coordinator
- ◇ Tonya Costa, Providence Public Schools, Principal Fortes & Alfred Lima Elementary School
